## Saint Mary's East Confirms Employee Case of COVID-19

**May 22, 2020 – Erie, PA** – Saint Mary's Home of Erie can confirm that an employee at Saint Mary's East, 607 East 26<sup>th</sup> Street, Erie, PA, has tested positive for COVID-19. This individual has not been in the building for the last several days and is now in isolation at home. The individual was tested for COVID-19 earlier this week and the positive test results were received on May 22<sup>nd</sup>. Our team immediately notified the Department of Health as well as residents, families and other staff members. We are conducting contact tracing to identify others who were potentially exposed. Testing for COVID-19 will be performed for staff and residents identified through contact tracing, consistent with the guidelines from the Department of Health. We are diligently following CDC and Department of Health protocol to mitigate transmission.

Our greatest concern is ensuring the health and safety of our residents and employees. We will continue to keep you informed and provide updates as we monitor the situation.
