A Special Message

In a number of weeks, the day will come where we expect to walk through the doors of Saint Mary's East one final time. That day will be difficult, as we leave the East campus – a solid symbol of Saint Mary's ministry for more than a century – in the hands of a new provider, yet one just as caring and competent.

We suspect that news of the sale of Saint Mary's East to an affiliate of Hill Valley Healthcare is difficult for many of you to process. We can assure you the decision was not taken lightly, or without significant review of all options.

The reality is this: Future projections show it is clear we do not have the financial resources necessary to continue to operate Saint Mary's East. To ensure Saint Mary's remains in a solid financial position, action was essential.

To those who have been a part of the ministry at Saint Mary's East, please know how much we value you and the role you have played in our rich history. You have walked through our front doors with caring and compassionate hearts and a commitment to making sure that our residents live their later years with dignity and comfort.

To those who will move forward with us and continue to carry out our mission at Saint Mary's at Asbury Ridge and the Carriage Homes at Asbury Ridge, we see hope and opportunity. We look forward to building a bright future together as we focus our energies on enhancing Asbury Ridge.

Change can be unsettling, but ultimately, it will allow us to provide the best response to the needs of seniors in our community. There are many emotions to be felt, but have no doubt: the mission and ministry of Saint Mary's Home of Erie continues.

Thank you,

Allen L. Bonace

Sale of Saint Mary's East

By Summer 2021, Saint Mary's East will be under new ownership

After much consideration and analysis, the decision was made to sell Saint Mary's East to an affiliate of Hill Valley Healthcare, a respected and national operator that specializes in skilled nursing facilities.

In choosing Hill Valley Healthcare, the Board of Trustees of Saint Mary's placed the highest priority on finding an organization that shares values aligned with what Saint Mary's has built at the East campus. The chosen provider will be strong stewards of the culture that has made Saint Mary's East so special, and will be committed to providing stability to the employees and residents.

Employment is expected to continue for all staff members at current pay rates with similar benefits packages. Under the new management, current and new residents can expect to receive the same level of care and support that the entire Saint Mary's East team now provides each and every day.

"This was an incredibly difficult decision that was not made until we explored all options," said Allen Bonace, President and CEO of Saint Mary's Home of Erie.

This decision ultimately came down to a matter of finances. The Board of Trustees has an obligation to assure the long-term financial stability of Saint Mary's Home of Erie. Over the past year, it has become painfully apparent that continuing to fulfill that obligation would require the selling of Saint Mary's East.

Ongoing maintenance and needed modernization of a nearly century-old building calls for significant financial investment. At the same time, Pennsylvania's Medicaid reimbursement rate is increasingly lagging behind inflation, putting an ever-growing financial strain on the organization.

Hill Valley Healthcare has the strategic and financial resources to continue operating and modernizing Saint Mary's East well into the future.

"We intend to continue to provide the wonderful and caring services that the Erie community has come to expect from Saint Mary's. We look forward to providing a continuum of care for our residents driven by positively responding to their ever-changing needs and the needs of their families," said Shimmy Idels, the COO of Hill Valley Healthcare.

Although Saint Mary's will no longer have a physical presence in east Erie, the organization is committed to remaining active partners in the eastside neighborhood. Saint Mary's will continue to take part in activities that support the Neighborhood Networks East

and West, while maintaining community service commitments in the area. Saint Mary's believes strongly in this community—and that will not change with this sale.

"This has been a tough decision. We have gone through many months of the board trying to make the decision that best matches who we are," said Sister Mary Drexler, SSJ, President of the Sisters of St. Joseph of Northwestern Pennsylvania. "While this is a sad moment for us, it's one where we see hope and promise for the future."

Saint Mary's Home of Erie will continue to operate Saint Mary's at Asbury Ridge and The Carriage Homes at Asbury Ridge. With the sale, Saint Mary's will focus on the continuous enhancement of the Asbury Ridge campus. As the process evolves, more details and updates will be provided.

FREQUENTLY ASKED QUESTIONS

Doses Delivered

Residents, employees receive COVID-19 vaccine

At 9 a.m. on December 30, 2020 the first employee at Saint Mary's rolled up their sleeve and received the Pfizer-BioNTech COVID-19 vaccine. This began what would be a multi-week endeavor of inoculating employees and residents at Saint Mary's East and Saint Mary's at Asbury Ridge. During three on-site clinics held at each campus, more than 1,000 doses were given.

To aid in managing vaccination efforts, Saint Mary's Home of Erie took part in a historic and nationwide program known as the Pharmacy Partnership for Long-Term Care. By partnering with Walgreens in this program, Saint Mary's was able to offer a vaccine to every employee and resident who wanted one.

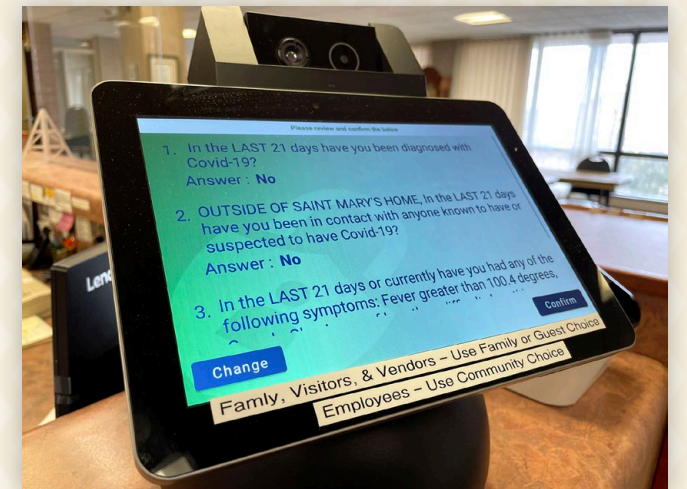

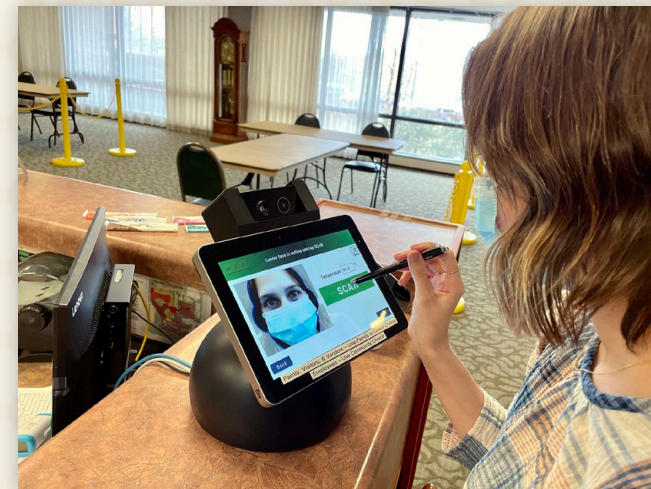

The COVID-19 vaccine is an important tool in our fight and we continue to remain vigilant in our efforts to prevent the spread of the virus by enacting a number of precautionary measures.

Technology-Driven Solutions

Safety First

Saint Mary's entrances are now equipped with Accushield sign-in and health-screening kiosks, thanks to a COVID-19 Communicative Technology grant administered through the PA Department of Human Services. These self-serve kiosks reduce the burden on staff while administering touchless temperature scanning and capturing answers to COVID-19 screening questions. In addition, these devices print verified name badges and offer real time reporting, enhancing campus security. This is just another way Saint Mary's is using technology to help control the health and safety of our community.

Sarah Cacchione, employee, completes the Accushield screening before entering the building.

Staying Connected

Virtual video chats have become a key part of keeping families and residents connected throughout this pandemic in the wake of strict visitor restrictions. To ensure our residents had ample opportunities to virtually connect with their loved ones, Saint Mary's secured a grant from HVA which enabled us to purchase iPads for use by the Activities Department. The grant has allowed for hundreds of heartwarming visits with loved ones in our care.

Theresa Baniszewski, East resident, and her daughter, Debby Raina, catch up with one another during a virtual visit.

We're Moving

Saint Mary's Home of Erie corporate offices relocated

As the sale of Saint Mary's East moves forward, the corporate offices housed at the East campus are moving to a new home – just down the road. Due to limited office space at Saint Mary's at Asbury Ridge, Saint Mary's acquired and recently renovated the office building at 1781 West 26th Street.

This location will serve as the corporate offices for Saint Mary's Home of Erie and will be home to the company's corporate departments such as Finance, Marketing, Development, Purchasing and Administration.

2020 Giving Report

Reflecting on the impact of our donors

In spite of COVID-19 and its drastic impact, Saint Mary's was fortunate in 2020 to see our contributions grow and therefore grow our ability to help seniors in need. In fact, last year Saint Mary's saw an increase in donations from the year prior. We are grateful for every gift, no matter the size, and for every donor!

We know that many of you give because of your connection to our mission of loving to care and the way that mission has impacted your life or the life of your loved one. We understand that the changes ahead may bring some uncertainty about what that means moving forward.

Some of your questions might be...

- **What will happen to Benevolent Care?** This vital fund will continue to be available to residents in need at Asbury Ridge - your support is just as important as ever!
- **How do I know my donation is actually making a difference?** 100% of your donation goes where you intend - we never use contributions for anything other than the donor's intended purpose.
- **I want my gift to have the most impact, where should I direct it?** Unrestricted gifts enable us to direct funds to the area of greatest need. This provides the flexibility for Saint Mary's to allocate funds for immediate priorities.
- **Why should I continue to support?** Generous giving throughout the year helps us meet the needs of the people we serve - your loved ones, friends, neighbors, community members - and continue to improve our operations. Things might look a little different in the future, but our mission and our focus is the same.

If you have any questions about making a gift or want to discuss your impact, please do not hesitate to reach out. I am always willing to talk about the ways we can align your philanthropic goals and our mission!

Gratefully,

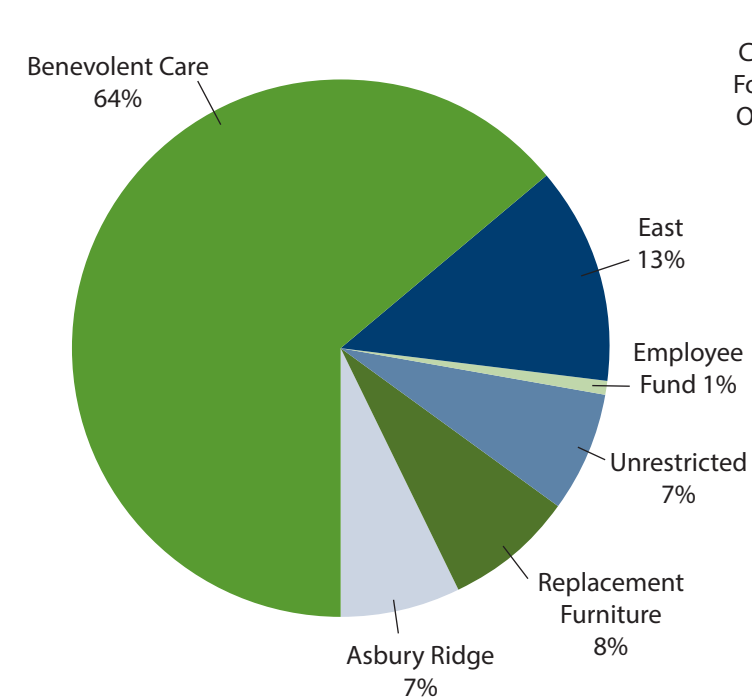

Emma Berkstresser
Director of Marketing and Development

Every Vote Counts

2020 posed many challenges but the Activities Department made sure that voting in the Presidential Election was not one of them. Our residents engaged in their right to vote by doing so from the safety of their rooms! From left to right, Phyllis Pierce and Gerry Hoffman, Asbury Ridge residents, prepare to mail-in their election ballots.

Mission Day

On St. Joseph's Day, Saint Mary's celebrated our mission of caring and fostering community. In the spirit of the day, employees held a donation drive and collected needed items to benefit the SSJ Neighborhood Networks!

In Special Remembrance of William Flaherty

William "Bill" Flaherty passed away peacefully on February 25, 2021. Bill shared his wisdom and passion with Saint Mary's Home of Erie by serving on the Board of Trustees from 2004 to 2012 and served as Chairperson of the Board from 2007 to 2010. Bill was a dedicated and caring individual who will be deeply missed.

**Dietary Doodles**

When communal dining was halted and meals were delivered to residents in their rooms, a dietary employee at Asbury Ridge took it upon herself to decorate placemats with doodles and drawings. One of the small, yet significant, ways our employees try to bring smiles to our residents.
