A Message from the President

As you begin to peruse our 2017 Annual Report, please accept our GRATITUDE for **your** part in furthering the “Spirit of Community” at Saint Mary’s Home of Erie by your support of our Mission of “Loving to Care and fostering an atmosphere of community”.

YOUR support is often lived out by:

- Entrusting yourself/your loved one to our care.
- Supporting Saint Mary’s through Erie Gives, our Spring and/or Annual Appeal, our Benevolent Care Fund.
- Providing a Sponsorship for Saint Mary’s Follies.
- Attending Saint Mary’s Follies.
- Volunteering for Saint Mary’s East, Saint Mary’s at Asbury Ridge or our Board.
- Living out our Mission as a valued Employee.
- Praying for Saint Mary’s and all those who live and work here.

Sister Phyllis McCracken, SSJ
President/CEO

As a truly Mission-driven not-for-profit Continuing Care Retirement Community, Saint Mary’s relies on your generosity of time, talent and money to continue to provide quality of life and care to those who call Saint Mary’s “HOME”. For this we are most grateful.

A part of our commitment to community is outside of our walls where employees:

- Serve on Boards and Committees of other not-for-profit organizations.
- Keep a portion of East 26th Street as litter-free as possible.
- Partake of continuing education and our Career Ladder.
- Provide opportunities for our Residents involving community events, as far as they are able.

Our goal is to provide quality care and life to all. That is our focus!

A highlight of 2017 was the establishment of the James E. Mantyla Benevolent Care Fund made possible by the very generous Planned Giving of the late James E. Mantyla of Glenwood Beer.

Profit margins for long term care facilities are greatly affected by underfunding by governmental programs. It is generous individuals like Jim, and those before him, who have supported Saint Mary’s and made a difference in our Resident’s lives. Won’t you join them in 2018!

Please join me in congratulating our Employees who earned Advanced QAPI (Quality Assurance & Performance Improvement) Accreditation for both facilities in 2017! I am very proud to be a part of their Team!

After all, we’re Saint Mary’s and we’re all about YOU!

Sister Phyllis McCracken

Saint Mary's Home of Erie earns exclusive Quality Accreditation

Saint Mary's East and Saint Mary's at Asbury Ridge have each received Providigm's Advanced Quality Assurance and Performance Improvement Accreditation for 2017 as a skilled nursing facility actively performing Quality Assurance and Performance Improvement activities. Less than 2% of the skilled nursing facilities in the country have achieved this advanced level of QAPI accreditation.

Presented by independent accreditor, Providigm, LLC, the Advanced QAPI Accreditation confirms that Saint Mary's is continually assessing items that affect the residents' quality of life, such as pain, dignity, and choices that they have in the facilities, and quality of care issues, like weight loss, infections, rehabilitation following acute injury or illness, whether there are enough employees to meet resident needs, and prevention of readmissions to hospitals.

"To achieve Advanced QAPI Accreditation takes a concentrated commitment to the quality in the skilled nursing facility," says Andrew Kramer, M.D., Chief Executive Officer at Providigm. "Through Saint Mary's use of the abaqis® Quality Management System, we are able to verify that Saint Mary's is assessing their quality against the full set of federal regulations and quality standards at an ongoing rate and correcting identified issues."

"Our team has worked diligently on achieving the Advanced QAPI Accreditation. I am extremely proud of the hard work and dedication from our Employees who truly understand the importance we must place on achieving quality care for our Residents," said Sister Phyllis McCracken, SSJ, President/CEO.

About Providigm, LLC

2017 Donor and Giving Report

Love Lives On

The start of Spring is once again upon us. Birds can be heard singing from dawn to dusk and life blossoms all around us as this beautiful season touches everything in its path. As you look through the following pages, please take the time to recognize and reflect on all of the people who have touched the lives of seniors that chose Saint Mary's for their care. It is each individual that has given a part of their self to help someone else.

In this Annual Report, you will see how love lives on in many different ways throughout our beautiful campuses. Each donor and volunteer has helped make the past year special for someone else and that timeless love is what we look to capture in this report to the community. Thank you for everything you do to stay connected with our Mission of "Loving to Care."

We ask that you continue to join us in our Mission as we blossom into another year of serving our community of seniors. Please consider volunteering or donating to our James E. Mantyla Benevolent Care Fund in 2018. Your compassion and care truly makes a difference.

God Bless,

"Every time a Resident or their family member comments about our campuses it makes my day. It means a lot to all of us knowing that what we do makes a difference in their day and their stay here at Saint Mary's. ***Dave Dahlkemper – Resident,
Saint Mary's at Asbury Ridge***

"I was living alone on a farm before moving here and it became dangerous as I continued to age. We chose Saint Mary's for the obvious reasons such as there's no maintenance and that I feel safe when I walk through the doors. But there's more than that too, I feel like it is wide open. I'm active here. There's always something to do and there's always someone to give you a hand."
